# Community

## Current Community Groups with room for you

“Fit” is very important to us, but it is almost impossible to predict unless you get an invite to join a group by a friend. So, try a group out for a few weeks and then if it isn't a fit...TRY AGAIN! It's kind of like having a poor experience at a restaurant. You don't stop going out to eat. You just try another restaurant, right? So, why not do the same when it comes to your spiritual growth?
